

## **Bailey Middle School Discipline Procedures for Student Violations of Mandatory Standard Student Attire**

1. Clark County School District Regulation 5131, Dress and Appearance, provides that “no student shall receive a lowered academic grade as a result of not complying with the policy.” Students are to be provided with all academic work during the disciplinary process.
2. Clark County School District Regulation 5131, Dress and Appearance, provides that “all standard student attire violations will result in disciplinary action in alignment with the school-based progressive discipline plan.” However, pursuant to Clark County School District Regulation 5131, Dress and Appearance, at the time of the first standard student attire violation the following steps will be taken:

“Prior to initiating and disciplinary action against a student not complying with the policy, the school will conference with the student and give him or her an opportunity to change into standard student attire.” Therefore, for the first violation the responsible school administrator will meet with the student, give the student a warning, and provide an opportunity for the student to change into standard student attire. If the student refuses to change into standard student attire, the student will be allowed to return to class for the remainder of the day.

In addition, “a conference with the parent/guardian must be held with a school administrator to ensure the parent/guardian is aware of the policy and possible consequences of non-compliance.” Thus, after the student has been returned to class following the first violation, the parent/guardian will be called for a required Parent Conference” to ensure that the parent/guardian is aware of the policy and future consequences for noncompliance.

3. Upon steps 1 and 2 being taken, any subsequent standard student attire violations are to be handled according to Bailey Middle School progressive discipline plan (i.e. In-House Suspension, Detention, Required Parent Conference, Suspension(s), or Referral to Behavior Program). All appropriate and relevant paperwork and procedures are to be followed during this process.

Exemptions: With regard for exemptions from mandatory Standard Student Attire due to medical or religious purposes, the parent will be provided the Clark County School District form, “Application from Mandatory Standard Student Attire” (CCF-828). Said application to be completed and submitted to the school’s administrative office.

Special Note: Concerns relative to the administration of the aforementioned procedures should be brought to the attention of Bailey Middle School administration with appeals to Area 1 office administration.
